All course dates are subject to change

***In February 2007 some of our standard training courses changed names**

Industrial Application Server is now Wonderware System Platform Part 1

SuiteVoyager is now Wonderware Information Server

IndustrialSQL Server Foundation is now Fundamentals of Wonderware Historian and ActiveFactory

IndustrialSQL Advanced Reporting is now Historian Advanced Reporting

InTrack is now Manufacturing Execution Module

PEM is now Equipment Operations Module

InTouch HMI Integrator is now InTouch HMI Fast Track

***In November the 2 day InTouch HMI Intermediate course changed to 3 days and the 3 day InTouch HMI Integrator course (now known as InTouch Fast Track) changed to 4 days, to incorporate Archestra Graphics.**

For further information on our course details, call us on 0161 495 4673 or email: training@solutionspt.com. Alternatively, if you would like us to telephone you to discuss this information, please use our [call back request form](#).

All Wonderware Software Training Courses are provided by SolutionsPT Ltd the only Certified Wonderware Training Provider in the United Kingdom and Ireland.

All training courses take place in SolutionsPT's dedicated training suite, with one computer per person. Lunch and refreshments will be provided on all days. Participants are responsible for their travel and accommodation arrangements. Details of local hotels and directions to SolutionsPT will be issued in advance or can be found by visiting our web site. All information and pricing is correct at time of printing. SolutionsPT Ltd reserves the right to alter any information shown.
